New Members are welcome and encouraged to participate in any of the various group activities organised by the Society.
The Epiphyte Study Group & Terrestrial Study Group meet regularly to study epiphytic & terrestrial orchids in detail.
The Conservation Group meets regularly to actively preserve our native orchids in their natural habitat.
The Seed Group meets monthly to explore cultivation techniques and to raise native orchids from seed.
The Orchid Stewards is a new group to engage younger members to be involved in outings, sometimes with other Groups, and laboratory nights with access to propagation facilities.

The Tuber Bank is a once a year distribution of donated orchid tubers to Members at minimal cost.

Social Activities include field trips, shadehouse and glasshouse visits, and weekends away.

The Annual Spring Show – Victoria's finest display of native orchids – each year, last weekend in September

The Bulletin, our monthly newsletter, is emailed to members eleven times a year (no January edition). It contains useful advice and informative articles written by members of our Society. Our members are emailed the *Bulletin* within Australia and overseas in full colour (Membership is \$20 worldwide).

HOW TO GROW NATIVE ORCHIDS:

Members of the Victorian Group have put together a most informative book, *Cultivation of Australian Native Orchids (CONA)*, detailing the what, when and how of cultivation of native orchids with special reference to Melbourne conditions. Members can purchase it at a discounted price of \$22 (incl. P&P) or \$15 if picked up at a Meeting.
